That's what it takes to master the faster gameplay of the new Championship Edition of FIFA International Soccer. Anything less and you'll need a brick wall across your goal mouth.

Tougher computer opponents and improved player intelligence make the Mega CD version of 1993's biggest selling video game the ultimate test of your control pad skills. And with 16 extra sides on the roster, you'll be left to wonder where the next hammering is coming from.

Stunning full motion video footage introduces the action, and there are over 100 video clips to give you something to emulate. But if you think that footage looks good, wait until you're on the pitch – enhanced player, field and crowd graphics further heighten the realism.

There aren't only new sights, there are new sounds. Crowd participation reaches fever pitch thanks to chants in Dolby Surround™. There's battery backup too, so take a well-earned rest from leagues and tournaments.

And as the perfect extra touch, 8 New Extended Play game modes turn the Championship Edition into an all-out soccer spectacular.

**So strip off your track suit for FIFA Soccer on Mega CD. Everything else was only a warm-up.**

# NHL® HOCKEY SCORES FROM SIX NEW ANGLES.

So let's just talk through exactly how they did it:

**Number One** — an electrifying burst of speed sees the top selling sports simulation on Mega Drive, shoot into the stores as the first sports title on MEGA CD.

**Number Two** — EA SPORTS introduces the first full motion video sports action on MEGA CD — with over 200 authentic NHL video clips — pounding slap-shots, heart-stopping kick saves and awesome body-checks.

**Number Three** — EA SPORTS really turns

on the heat by adding stunning CD sound effects and authentic organ music to deliver all the atmosphere of the rink.

**Number Four** — a digitised Ron Barr, EA SPORTS anchorman, gives a run down of all the info anyone will ever want to know about the NHL players and their teams.

**Number Five** — the 4-Way Play facility allows fresh new "legs" onto the ice.

**Number Six** — EA SPORTS puts the icing on the cake by giving NHL Hockey 94 on MEGA CD a price of only £39.99.

Unbelievable!

## NOW YOU CAN SEE THE POWERMONGERS IN THEIR TRUE COLOURS.

It's not a pretty sight. That is unless you get off on the barbarity of battle. But now brought stunningly to life on CD, it's an awesomely impressive spectacle. The screen drips with colour - you can almost reach out and touch the action. If you don't mind risking the loss of a limb or two.

For in the world of PowerMonger™ the only currency is power, the only language is violence, and law and order is a concept a few hundred years away.

If you possess the cunning of a sewer rat and the persuasive skills of the Spanish Inquisition, you could have what it takes to join in. You'll also need a taste for brutality - often the best policy, and definitely the most fun.

You have 195 worlds to conquer, every one different to the last, with real people, places, animals and seasons. To do so, invent devious and deadly new weapons, steal food and press gang men from vanquished villages into your armies.

Come through all that in one piece, and you've earned the status of PowerMonger.

Plus, on this new CD version all your dirty deeds are enhanced by a monumental digital soundtrack, superb animated victory and death sequences, a multitude of views over each land, and a 3D flyby of every world you stoop to conquer.

Taking on the world never looked so good.

To buy your copy of this game, visit your local retailer.  
In case of any difficulty, contact EA Direct on 0753 549 442.

Puggsy's no work of art, but when it comes to brains he's way ahead of his time.

But this time he needs help. Stranded on an alien planet after his spaceship has been stolen, Puggsy has to travel through seventeen different levels, each packed with cunning puzzles, frantic games and hoards of unfriendly aliens.

Using a unique system of Total Object Interaction (TOI) you have to guide him on his quest to find his ship, and get home.

With stunning graphics, amazing music and a complete Junior section for younger players — Puggsy is one orange blob who desperately needs your help.

P.S. Due to the fact that he just isn't smart enough, Michelangelo will not be appearing in the game.

If Puggsy's just too smart for you, call the helpline.

World Cup Golf is an amazingly-accurate simulation specifically-designed for CD formats. Utilizing full motion video images rendered on SiliconGraphics machines, it plays as well as it looks, and it looks brilliant.

- "The best graphics in a golf game so far."

#### **Games Master.**

World Cup Golf faithfully re-creates the format of the actual event but offers many other options.

- 15 alternative championship formats.
- Advanced computer opponents with "artificial intelligence".
- Animated aerial shots of each hole tracking player's ball flight.
- Practice facilities on Putting Green, Driving Range or hole of your choice.
- Precise shot control; 17 clubs, fade/draw, top spin/back spin and shot power.
- Unique guide to land contours.
- "An extensive range of options ... the definitive golf game."

#### **Edge.**

- "World Cup Golf looks like the first golf game to better Links Pro."

#### **PC Format.**

If you want to be the best in the world, play the best in the world, World Cup Golf.
